Elementary Board Report

November 2026

From Learning *About* Our Learners to Learning *FOR* Our Learners

Hayfield Vikings

We are using what we know about students to make intentional instructional and behavioral decisions. Staff continue to build on the work of the last three years through:

- **Academic Support:** Coaching cycles to strengthen instruction.
- **Behavior Support:** Viking PRIDE Committee work to promote positive classroom behavior.
- **Individualized Support:** Meetings with Terri and I to support students who need extra behavioral support.

Kindness/ Viking PRIDE Week

- A fun-filled week that celebrated kindness and Viking PRIDE!
- Kicked off with an energetic assembly and included daily recognition of positive behaviors.
- Thank you to **PIE** for providing prizes for our students!

Veterans Day Program

- A wonderful program with a packed audience and strong community support.
- **Luke Scholl** delivered an excellent message honoring our veterans.
- Our students shared beautiful music under the leadership of **Liz Fjerstad.**
