Classroom / Smart Period

Prepared	• Be on time to class • Have required materials for class
Respectful	• Attend regularly • Respect school property and the property of others • Follow classroom rules and expectations
Inclusive	• Help others around you who need help or are confused • Respect each individual's differences
Dedicated	• Stay on task • Finish work and assignments • Use gym equipment or classroom supplies appropriately
Engaged	• Be an active participate in class • Listen to the teacher during instruction • Listen to peers during group work/activities • Take notes • Utilize SLANT daily

Objective

- To provide 10th graders with information about graduation requirements, post-secondary options, and available resources.
- Students will have a strong understanding of how to interpret a transcript and learn how to navigate the California Colleges website.

Rationale

- To ensure that all sophomores understand the graduation and college requirements so they can best plan for their post-secondary goals. Plus know the available resources to ensure success while at AHS.

Graduation Requirements

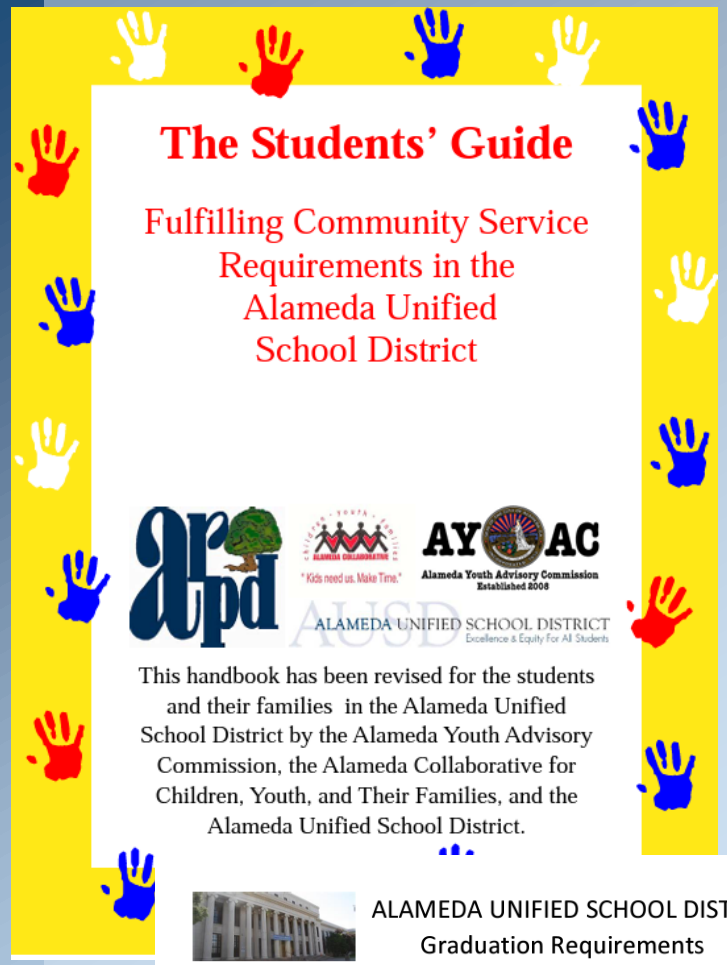

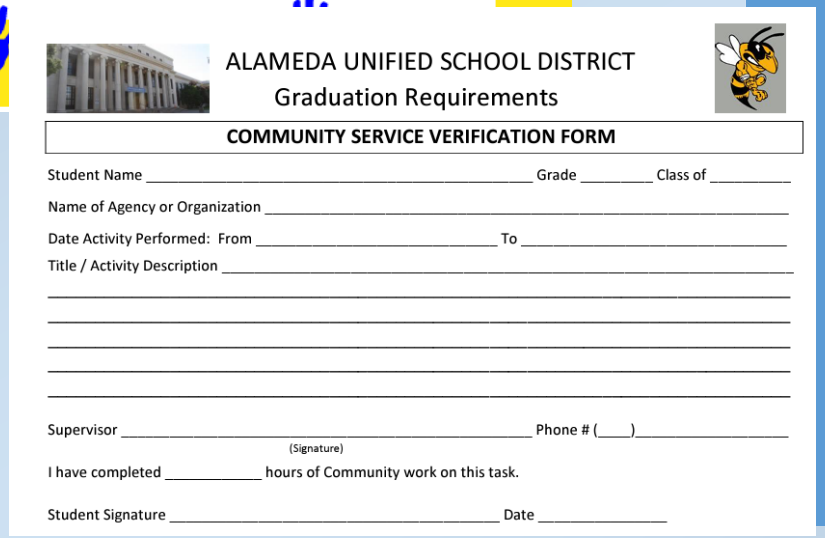

220 Credits + Subject requirements + Minimum GPA of 1.75 + 20 Hours of Community Service

= **Graduation!**

Community Service Hours

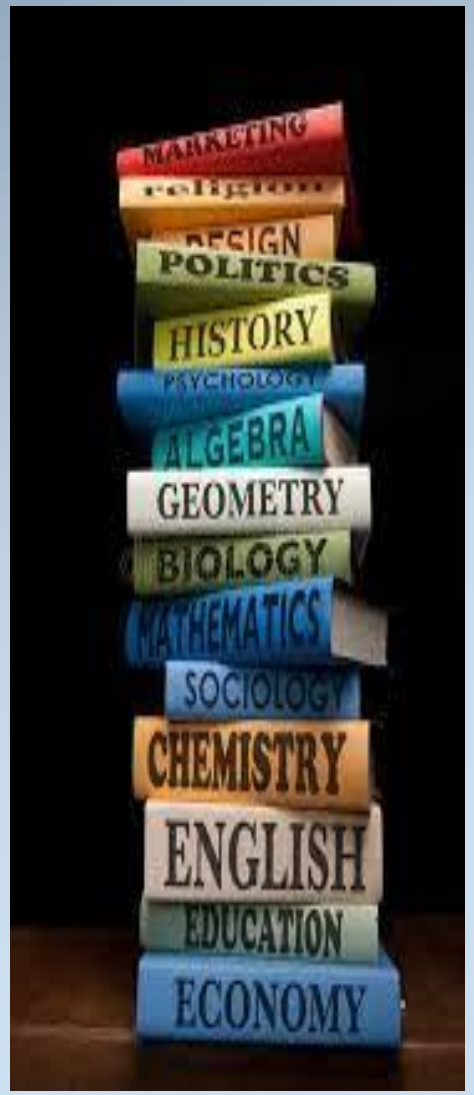

- Each student must document a minimum of **20 hours** of non-paid volunteer work with a non- profit or government organization such a school, shelter, hospital, etc.
- If you are unsure if your volunteer work will count for your community service, get pre-approved by admin prior to doing the hours.
- Alameda Organizations include:
  - Bay Area Red Cross
  - Meals on Wheels
  - Alameda Food Bank
  - Alameda Free Library
  - Alameda Rec and Park Dept.

More information is available on our website in the Student section under "Forms and Information."

Military Career Options

Most careers require additional education and/or training after high school. In addition to the training needed to be successful in the military, you can also get training that may serve you in a career. If you want to become an officer, the U.S. military may pay for your college education. Whether you enlist or become an officer, you commit to serve in the military for a minimum of eight years.

What are the branches of the military?

The U.S. military has six service branches with different missions, emphases, and entry requirements:

U.S. Air Force (USAF)	The Air Force executes military operations in the air.
U.S. Army (USA)	The Army conducts combat missions on the ground.
U.S. Coast Guard (USCG)	The Coast Guard enforces laws at sea, secures waterways, and leads search and rescue missions.
U.S. Marine Corps (USMC)	The Marines support other branches of the military in land, sea, and air combat and operations.
U.S. Navy (USN)	The Navy protects waterways and provides runways for aircraft when at sea.
U.S. Space Force (USSF)	The Space Force organizes, trains, and equips its members to conduct global space operations.

Did you know: The Space Force is the newest branch of the US Military! It work includes satellites, meteorology, aviation maintenance, technology, and logistics.

Employment

Your next chapter could start with a paycheck!

Entering the workforce: After high school students can earn money, gain experience, and develop professional skills. Opportunities include retail, customer service, office support, hospitality, and more.

Employment is a valid postsecondary pathway. Students can work immediately after graduation and land jobs that lead to career growth.

Community College

Big opportunities. Flexible pathways.
Start here, go anywhere!

Why choose a CCC?

- You need an associate degree or certificate for the career you want.
  - A few CCCs even offer bachelor's degrees in high demand fields.
- You want to **start your career sooner.** Associate degree programs usually take two years. Certificate programs take even less time.
- You're looking for **hands-on career training.** CCCs have more than 200 Career Education programs in health, agriculture, technology, and more.
- You want to prepare to transfer to a four-year college.
- You want to spend less money on college tuition. CCCs have the lowest fees in the country. You can even get financial aid.
- You need **flexible classes** in the evening, on weekends, or online so you can fit college into your life.
- You want to get a head start on earning college credit while you're still in high school.

CCCs make up the largest higher education system in the country. More than 2 million students attend a CCC. They offer a high quality education and lots of opportunities to help you reach your goals. They serve their local communities. A few CCCs have on-campus housing, but most students live within driving distance.

Find your pathway.

Some CCCs have a Program Pathways Mapper tool. This tool gives you a clear path to a certificate or degree offered by your college. Check to see if your college uses the Program Pathways Mapper tool.

California Community Colleges:

- Transfer to a 4-year college or university
- Earn Associate's of Arts (AA) Degree
- Vocational Certificate/Programs
- Dual Enrollment Programs for High School Students (High school special enrollment form is required)
- 116 community colleges state wide
- Admission requirements
  - High School Diploma or 18+ years old

Four-Year Colleges

Different campuses. Different opportunities. Find your fit!

Four-year college and universities offer bachelor's degrees in a variety of majors. Students can explore academic interests, develop career skills, and prepare for future opportunities.

Types of four-year colleges:

- University of California (UC)
- California State University (CSU)
- Private & Independent Colleges
- Out-of-State Universities
- Historically Black Colleges & Universities
- Bachelors (BA/BS) Degrees
- Admission Requirements:
  - High School Diploma
  - Subject Requirements

Interest Profiler

Learn more about your strengths and preferences

How do you enjoy spending your time? What are your interests and hobbies?

Let this information help you find your future career!

In the Interest Profiler, you will answer 60 questions that begin with "How would you like to.."

You can answer: "strongly dislike, dislike, unsure, like, strongly like"

Avoid answering "unsure". Doing that will limit your potential career results.

You can take the Profiler as many times as you would like!
