SEXUAL HARASSMENT

The district does not discriminate on the basis of sex in any of its programs or activities and complies with Title IX of the Education Amendments of 1972 and its implementing regulations.

The Board of Education is committed to maintaining a safe school environment that is free from discrimination and harassment. The Board prohibits at district or at district-sponsored or district-related activities, sexual harassment targeted at any student by anyone. The Board also prohibits retaliatory behavior or action against any person who reports, files a complaint testifies about, or otherwise supports a complainant in alleging sexual harassment, or otherwise participates or refuses to participate in the complaint process established for the purpose of this policy. (Education Code 220.1, 221.8; 34 CFR 106.71)

The district strongly encourages students who feel that they are being or have been sexually harassed on district grounds or at a district-sponsored or district-related activity by another student or an adult, or who have experienced off-campus sexual harassment that has a continuing effect on campus, to immediately contact their teacher, the principal, the district's Title IX Coordinator, or any other available school employee. Any employee who receives a report or observes an incident of sexual harassment by or against a student in a district education program or activity shall report the incident to the Title IX Coordinator within one workday. Once notified, the Title IX Coordinator shall ensure that the complaint is addressed through Title IX complaint procedures (Administrative Regulation 5145.71) or uniform complaint procedures (Board Policy/Administrative Regulation 1312.3).. Additionally, the Title IX Coordinator shall ensure that any implementation of Administrative Regulation 5145.71 - Title IX Sexual Harassment Complaint Procedures concurrently meets the requirements of Board Policy/Administrative Regulation 1312.3 - Uniform Complaint Procedures. The Title IX Coordinator shall offer and coordinate supportive measures to the complainant and respondent, as deemed appropriate under the circumstances. The Superintendent or Assistant Superintendent shall inform students and parents/guardians of the District’s sexual harassment policy by disseminating it through parent/guardian notifications, publishing it on the District’s website, and including it in student and staff handbooks.

The Superintendent or Assistant Superintendent shall ensure that all district staff are trained regarding this policy, and that employees required to receive training related to their duties under Title IX receive training as specified in Administrative Regulation 4119.11/4219.11/4319.11 - Sexual Harassment. (Government Code 12950.1; 2 CCR 11023, 11024; 34 CFR 106.45)

Instruction/Information

The Superintendent or Assistant Superintendent shall ensure that all District students receive age-appropriate information on sexual harassment. Such instruction and information shall include:

1. What acts and behavior constitute sexual harassment, including the fact that sexual harassment could occur between people of the same sex and could involve sexual violence

2. A clear message that students do not have to endure sexual harassment under any circumstance

3. Encouragement to report observed incidents of sexual harassment even when the alleged victim of the harassment has not complained

4. A clear message that student safety is the district's primary concern, and that any separate rule violation involving an alleged victim or any other person reporting a sexual harassment incident will be addressed separately and will not affect the manner in which the sexual harassment complaint will be received, investigated, or resolved

5. A clear message that, regardless of a complainant's noncompliance with the writing, timeline, or other formal filing requirements, every sexual harassment allegation that involves a student, whether as the complainant, respondent, or victim of the harassment, shall be investigated and action shall be taken to stop any harassment, prevent recurrences, and address any continuing effect on students

6. Information about the district's procedures for investigating complaints and the person(s) to whom a report of sexual harassment should be made

7. Information about the rights of students and parents/guardians to file a civil or criminal complaint, as applicable, including the right to file a civil or criminal complaint while the district investigation of a sexual harassment complaint continues

8. A clear message that, when needed, the district will implement supportive measures to ensure a safe school environment for a student who is the complainant or victim of sexual harassment and/or other students during an investigation

Disciplinary Actions

Upon completion of an investigation of sexual harassment, any student found to have engaged in sexual harassment or sexual violence in violation of this policy shall be subject to disciplinary action. For students in grades 4-12, disciplinary action may include suspension and/or expulsion, provided that, in imposing such discipline, the entire circumstances of the incident(s) shall be taken into account.

Upon completion of an investigation of sexual harassment, any employee found to have engaged in sexual harassment or sexual violence toward any student shall be subject to disciplinary action, up to and including dismissal, in accordance with law and the applicable collective bargaining agreement.

Record-Keeping

In accordance with the law, the Superintendent or Assistant Superintendent shall maintain a record of all reported cases of sexual harassment to enable the district to monitor, address, and prevent repetitive harassing behavior in district schools.
