HYDE PARK CSD
BOARD OF EDUCATION GOALS
2026-2027
BOE adopted goals on November 12, 2026

GOAL #1	Aligns with District Priority	ACTION PLAN	EVIDENCE GOAL HAS BEEN MET
COMMUNICATION STRUCTURES AND PROTOCOLS Continue work on improving communication between the board, students, parents, community members and district employees.	***Dist. Priority 2:*** *Promote an engaged and mutually accountable learning community where students, staff, families, and community partners embrace a growth mindset and collaborate to achieve excellence.*	• The board members will actively participate in school district sponsored events to strengthen visibility, foster trust, and build meaningful relationships with students, families, and staff. • Each BOE member will attend 4 district-based events per year. • Hold a Community Chat ("Chat") when a need has been identified. *Community Chats are designed for our community members to have casual conversations with representative trustees outside a board meeting setting.*	• Trustees will report on PD and committees / events they have attended during board meetings. • The board will create a form for school community members to use to request a Community Chat and post it on the BOE webpage. • When a "Community Chat" is requested, the board will schedule one to be held. • After a "Chat" is held, representative trustees will report on the discussions relevant to the topics that were discussed at the following board meeting.

Updated after the October 22, 2026 BOE meeting discussion.

BOARD OF EDUCATION GOALS
2026-2027
BOE adopted goals on November 12, 2026

GOAL #2	Aligns with District Priority	ACTION PLAN	EVIDENCE GOAL HAS BEEN MET
Support the administrator's Wildly Important Goal (WIG). *[Admin team's WIG: Increase literacy proficiency and decrease chronic absenteeism.]*	***Dist. Priority 3:*** *Increase student outcomes through the use of the established Continuous Improvement Framework and data review cycles to systematically grow all levels of the organization.*	• Keep informed of the progress being made toward the WIGs through regular updates during board meetings. • Review funding needs to support the WIGs to ensure that they are aligned with the district's fiscally responsible spending. • Attach school presentations to agendas for public reference. • If a specific community expresses interest to discuss an item, the board will hold the "Community Chats" at that building provided there is adequate space to hold such meeting.	• The board will be updated on progress during building/district reports. • Progress should be evidenced through improvements in: Student achievements; Building improvements and Departmental performance growth.

Updated after the 10/220/2026 BOE meeting discussion.
