Building Advisory Committee
Meeting Agenda
November 18, 2026 (5:30-7:00pm)

Webster Groves High School Library
100 Selma Ave, Webster Groves, MO 63119
(In Person)

I. Call to Order

II. Adoption of Meeting Agenda

III. Approval of August 20, 2026 Meeting Minutes

IV. Public Comments to the Building Advisory Committee by guests

V. Old Business and Reports
   a. Prop S
      i. Construction Project Updates
      ii. Bond/Finance Updates
      iii. Communication & Public Information

VI. New Business and Reports

VII. Chair's Report

VIII. Announcements by Members

IX. Future Business

X. Next Meeting - Schedule for 2025/26 Academic Year
   a. ~~August 20, 2026 – Avery Elementary~~
   c. November 18, 2026 – Webster Groves High School, Central Office, Douglass Learning Center
   d. February 18, 2026 – Clark Elementary, Hixson Middle School
   e. May 20, 2026 – Givens Elementary, Bristol Elementary, and Ambrose Family Center

XI. Meeting Adjournment

XII. Facility Tour – Webster Groves High School

Webster Groves School District
Building Advisory Committee
August 20, 2026

Avery Elementary
(In Person)

Craig, Chris	Member	Absent
Fisk, Todd	Chair	Present
Hazelton, Mike	Asst. Principal	Absent
Lamitola, Anne	Member	Present
Moses, Andrew	Member	Present
Mueller, Jason	Director of Operations	Present
Myers, Jacob	CFO/COO	Present
Roode, Matthew	Vice Chair	Present
Smith, Jeff	Member	Present
Steuber, Rob	Construction PM	Present
Wall, Cassandra	Secretary	Absent
Fran Petruso	Board Liaison	Present

I. Call to Order
   a. Meeting was called to order at approximately 5:30 PM by Todd Fisk.

II. Adoption of Meeting Agenda
   a. Motion to approve the Meeting Agenda was made by Jeff Smith, seconded by Matt Roode and approved unanimously by voice vote.

III. Approval of May 28th, 2026 Meeting Minutes
   a. Motion to approve the Meeting Minutes made by Jeff Smith, seconded by Matt Roode, and approved unanimously by voice vote.

IV. Public Comments to the Building Advisory Committee by guests
   a. No members of public present.

V. Old Business and Reports
   a. Construction Update
      i. Avery accessibility is nearly complete. One door remains to be installed as well as playground mulching.
      ii. Hixon doors – 125 doors addressed and all work completed.
      iii. HS Library floor project executed successfully. All abatement performed followed by new carpet and furniture.
      iv. HS door work has begun with a focus on exterior doors first. Interior doors will be addressed if budget allows.
      v. Ambrose bathrooms upgrades complete in all 11 restrooms as planned. Painting was not in scope but will be considered for a future project.
      vi. District flooring: remove and replaced with wood tile plank floors in Avery, Edgar, and Clark.

vii. Clark modular classroom demo delayed, waiting on letter of power disconnect from Ameren. Power disconnection has occurred, but without letter certifying this, demolition contractor will not start.
viii. Exterior Lighting
1. Avery and Edgar Road pole lights waiting on Ameren for installation.
ix. Safety/Security
1. High school currently in process. Entire project should wrap up by year's end.
x. All new PA system and Cat 6e cabling for intercom and telephones complete in half of elementary schools and high school. Hixon in progress.

b. Maintenance
1. Hixon window have temporary glass for another couple weeks to mitigate oxidation on structural steel frames discovered during abatement projects. When available, permanent glass will be installed during evening or weekend work once school starts.
2. Givens playground installation was delayed but should be completely within 1-2 weeks after school starts.
3. Edgar Road playground installation also delayed – estimated to be complete over Labor Day weekend.
4. Marquee signs waiting on city permits

VI. Finance
a. Two change orders to increase costs for flooring of 6 extra classrooms at a total of $89,000.
b. Most projects were on or slightly under budget.

VII. Communication & Public Information
a. 65 cent tax levy to go before voters in November

VIII. New Business and Reports –
a. Two new board nominees presented for consideration. Following discussion, Anne moved to recommend acceptance of both nominees. Andrew seconded, and the motion passed unanimously.

IX. Chair's Report – No report this month

X.

XI. Announcements by Members - No Update

XII. Future Business - No Update

XIII. Meeting Schedule for 2026-2027 Academic Year
a. August 20, 2026 – Avery Elementary - Complete
b. November 16, 2026 – Webster Groves High School, Douglas Learning Center
c. February 18, 2027 – Clark Elementary, Hixson Middle School
d. May 20, 2027 – Givens, Bristol, Ambrose Family Center

XIV. Meeting Adjournment
a. Motion to adjourn was made by Matt, seconded by Jeff and approved unanimously by voice vote.
b. Meeting adjourned at 6:30 p.m.

XV. Facility Tour – Avery Elementary

WEBSTER GROVES SCHOOL DISTRICT

Avery Playground Project

Board of Education Proposal • Parkscape Solutions

CURRENT STATE

Safety Concern (Needs Replacement)

Identified Hazards

Multiple safety issues patched as temporary fixes.

End of Lifecycle

Wood fiber surfacing and structures require full replacement.

DISTRICT PHILOSOPHY

Playgrounds are a core curricular space and a basic district need.

District Responsibility

Transitioning essential playground infrastructure from PTO-funded to District-funded.

The PTO Role

PTOs should supplement and enhance environments, not provide baseline district necessities.

Equitable Futures

Honoring past PTO investments while standardizing equitable district funding moving forward.

DISTRICT-WIDE ROADMAP

A phased approach across buildings.

Bristol

Resurfacing & equipment repair currently underway.

Avery

Comprehensive full renovation.

Givens

Next designated for full renovation.

Clark & Edgar Rd

Future surfacing upgrades planned.

Hudson

Continued repairs & maintenance as needed.

Driven by Student Voice

Avery students directly influenced the final equipment selections through our campus-wide survey.

STUDENT SELECTIONS

Movement & Climbing

The Surge Slide

Selected over the Double Velocity Slide.

The Bend Ladder

Selected over the Inclined Wall Climber.

STUDENT SELECTIONS

Panels & Transitions

Spin & Win

Replaces the Rattle and Ring panel.

Drum Line

Freenotes musical play elements.

Swing Around

Transition piece linking play zones.

EXISTING STRUCTURE

150 LFT RUBBER
TURNED-DOWN EDGE

AVERY PLAYGROUND PROJECT

Project Cost & Funding Breakdown

TOTAL PROJECT COST $387,677.46

Prop S Funding

$38,000.00

Allocated directly from Prop S bond funds to support base playground facility improvements.

PTO Contribution

$75,000.00

Direct reimbursement to the district from the Avery PTO designated specifically for equipment upgrades.

Capital Projects Fund

$274,677.46

Safety Surfacing: $94,271.10
Includes Perma Play PIP rubber & aggregate subbase.

Equipment & Site: $180,406.36
Remaining structures, removal, install & freight.

FINANCIAL STRUCTURE REMINDER

The Capital Projects Fund is a strictly segregated funding stream utilized for long-term facility infrastructure and physical improvements. It operates completely separate from the operating tax revenue generated by Prop W, which is dedicated specifically to district operational expenses, staffing, and educational programming.

Thank You & Open Discussion

We welcome questions, feedback, and discussion from the Board of Education and community.

PROJECT CONTACTS & NEXT STEPS

Jason Mueller • Director of Operations, Webster Groves School District

Parkscape Solutions • TIPS Purchasing Cooperative Contract #24010401 | Avery Elementary School Playground Project

SUPERmax PLAY SYSTEMS

ISO 9001 CERTIFIED

It is the manufacturer's opinion that the structure shown herein complies with current ada standards concerning accessibility if used with proper accessible surfacing and together with other necessary ground level play equipment.
Top View drawings and measurements are for overall site and structure appearance purposes. Top view should not be conceived as a construction detail; therefore, all measurements and slope requirements should be field verified prior to construction.
IMPORTANT: Never install play equipment over hard, unresilient surfaces such as asphalt, concrete, or compacted earth. It is the owner's responsibility to ensure the "minimum area required" contains an appropriate amount of resilient material to cushion accidental falls.

Terms and Conditions: For Installation of Equipment

Projects are quoted to be performed for straight-time wage rates
Rock and Utility clause applies (private lines to be marked by others)
50% due BEFORE start up for mobilization, materials etc.
All spoils trash etc to be disposed of on site.
Accessible by truck and equipment.
All permits by others.
Drainage by others
Established Finish Grade Points provided by others.
Parkscape Solutions, LLC reserves the right to recover any additional costs and out of pocket expenses incurred by any delays beyond our control.

Terms and Conditions: For Installation of PIP or Turf

1. This proposal may be withdrawn if not accepted within (60) days of its issuance. Parkscape Solutions, LLC will consider reasonable requests to engage in negotiations for revisions to this proposal, including signing a subcontract that incorporates the terms and conditions of this proposal. A proposal not accepted within (60) days will be subject to price escalation for materials, ETC.

2. All work shall be performed according to industry standards. Any changes to the work that is not within the scope of work, or the terms and conditions of this proposal shall be performed only after execution of a written change order. Total proposal amount is subject to change as this proposal is based on customers drawings, descriptions, and specifications.

3. Prior to commencement of Parkscape Solutions work: (a) Customer shall inspect all areas, playgrounds, drainage, curbs, concrete, asphalt, and compacted aggregate sub-base receiving Safety Surfacing Systems for proper: slope, depth, size, compaction (95%), installation, and fall zones to be free from any obstructing or incorrectly installed playground structures and submit written approval to Parkscape Solutions within (10) days of commencement, (b) If customer does not provide written approval at least (10) days prior to commencement of Parkscape Solutions work, then any incurred costs as a result of inadequate job site conditions will be passed on and accepted by the customer. Fees for crew down time which is not caused by an act of god are $1500.00 per day. Fee for disposal/dumpster is $1050.00, (c) Any job site condition that does not meet Parkscape Solutions specification will require correction by the customer or the execution of a separate waiver agreement on the customer's behalf.

4. All work is contingent upon strikes, accidents, acts of God, and delays beyond the control of Parkscape Solutions, LLC.

5. In the event a customer requests a proposal for Aromatic binder and quote becomes an active project; (a) Customer assumes all responsibility for any yellowing/amber hue of the surface, (b) Customer also agrees that payment for the project will not breach the terms and conditions of this proposal.

6. This proposal is not valid until receiving company letterhead purchase order and/or quote is signed and Terms and Conditions:

7. 50% due BEFORE start up for mobilization, materials etc.

8. Installation Temperature - The required temperature for Parkscape Solutions, LLC Perma Play and Turf system installations and curing periods is a minimum ambient temperature of 50° (and rising) and a maximum ambient temperature of 95° unless a Poor Weather Installation Rider has been signed by the customer. Parkscape Solutions, LLC may at its discretion, choose to commence a cold weather installation on projects less than 1000sf in size. This decision is solely at the discretion of Parkscape Solutions, LLC and will not affect the standard product warranty.
