McDaniel High School is one of the most ethnically diverse high schools in the state of Oregon, making campus life enriching by providing students with multiple perspectives daily. At McDaniel, our students and families speak more than 45 languages from around the world including Somali, Spanish, and Vietnamese. We strive to create a welcoming environment where our amazing students can collaborate with passionate teachers.

McDaniel Highlights

McDaniel offers many ways to prepare for life after school.

Advanced Placement (AP) courses are college-level courses that were created by college/ university professors to reflect what is being taught in first-year college classes but offered at the high school level. This is a great opportunity to earn college credit by passing the AP exam at the end of the class. **McDaniel HS offers AP courses** for Environmental Science, Biology, Physics, Calculus AB & BC, Statistics, Spanish Literature and Culture, Spanish Language and Culture, English Language and Composition, English Literature and Composition, English Seminar, Computer Science, Cyber Security, Human Geography, Psychology, US History, US Government & Politics, African American Studies, Microeconomics and Music Theory.

By entering college with credits, students may be able to graduate in less time or to take higher level courses sooner. McDaniel also offers 21 high school courses that earn **college credit (Dual Credit)** in partnership with Clackamas Community College, Oregon State University, Portland Community College, Portland State University and the University of Oregon.

McDaniel CTE program offerings include a wide range of disciplines that allow students to experience hands-on learning and acquire skills that are transferable to a multitude of future career pathways. CTE programs offer high school students cutting-edge, relevant, and rigorous classes that prepare them for post-secondary opportunities and high-wage, high-skill, and high-demand jobs. The McDaniel CTE programs include:

- Health Sciences
- Business
- Construction
- Engineering & Computer Science
- Design & Applied Art
- Digital Design
- Sustainable Agriculture
- Future Educators

Mission Statement

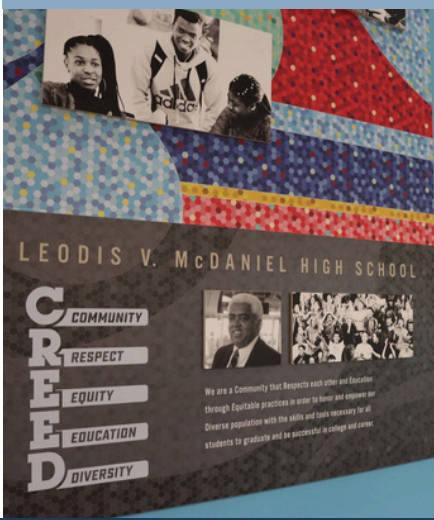

Mission and Values

At McDaniel, all students will access an engaging and inclusive education defined by diversity and respect. All students will graduate from high school empowered with critical skills necessary for success in higher education, career, and community engagement.
