Welcome to Thames British School Warsaw

Thames is a leading British international school with three campuses in the heart of Warsaw, offering a seamless English-medium education from Early Years to Sixth Form.

We provide a safe, nurturing environment where students from all around the world feel seen, heard and supported. Learning goes beyond academics, empowering our students to grow in knowledge, character, and confidence, develop a global outlook, and leave Thames prepared to live extraordinary lives.

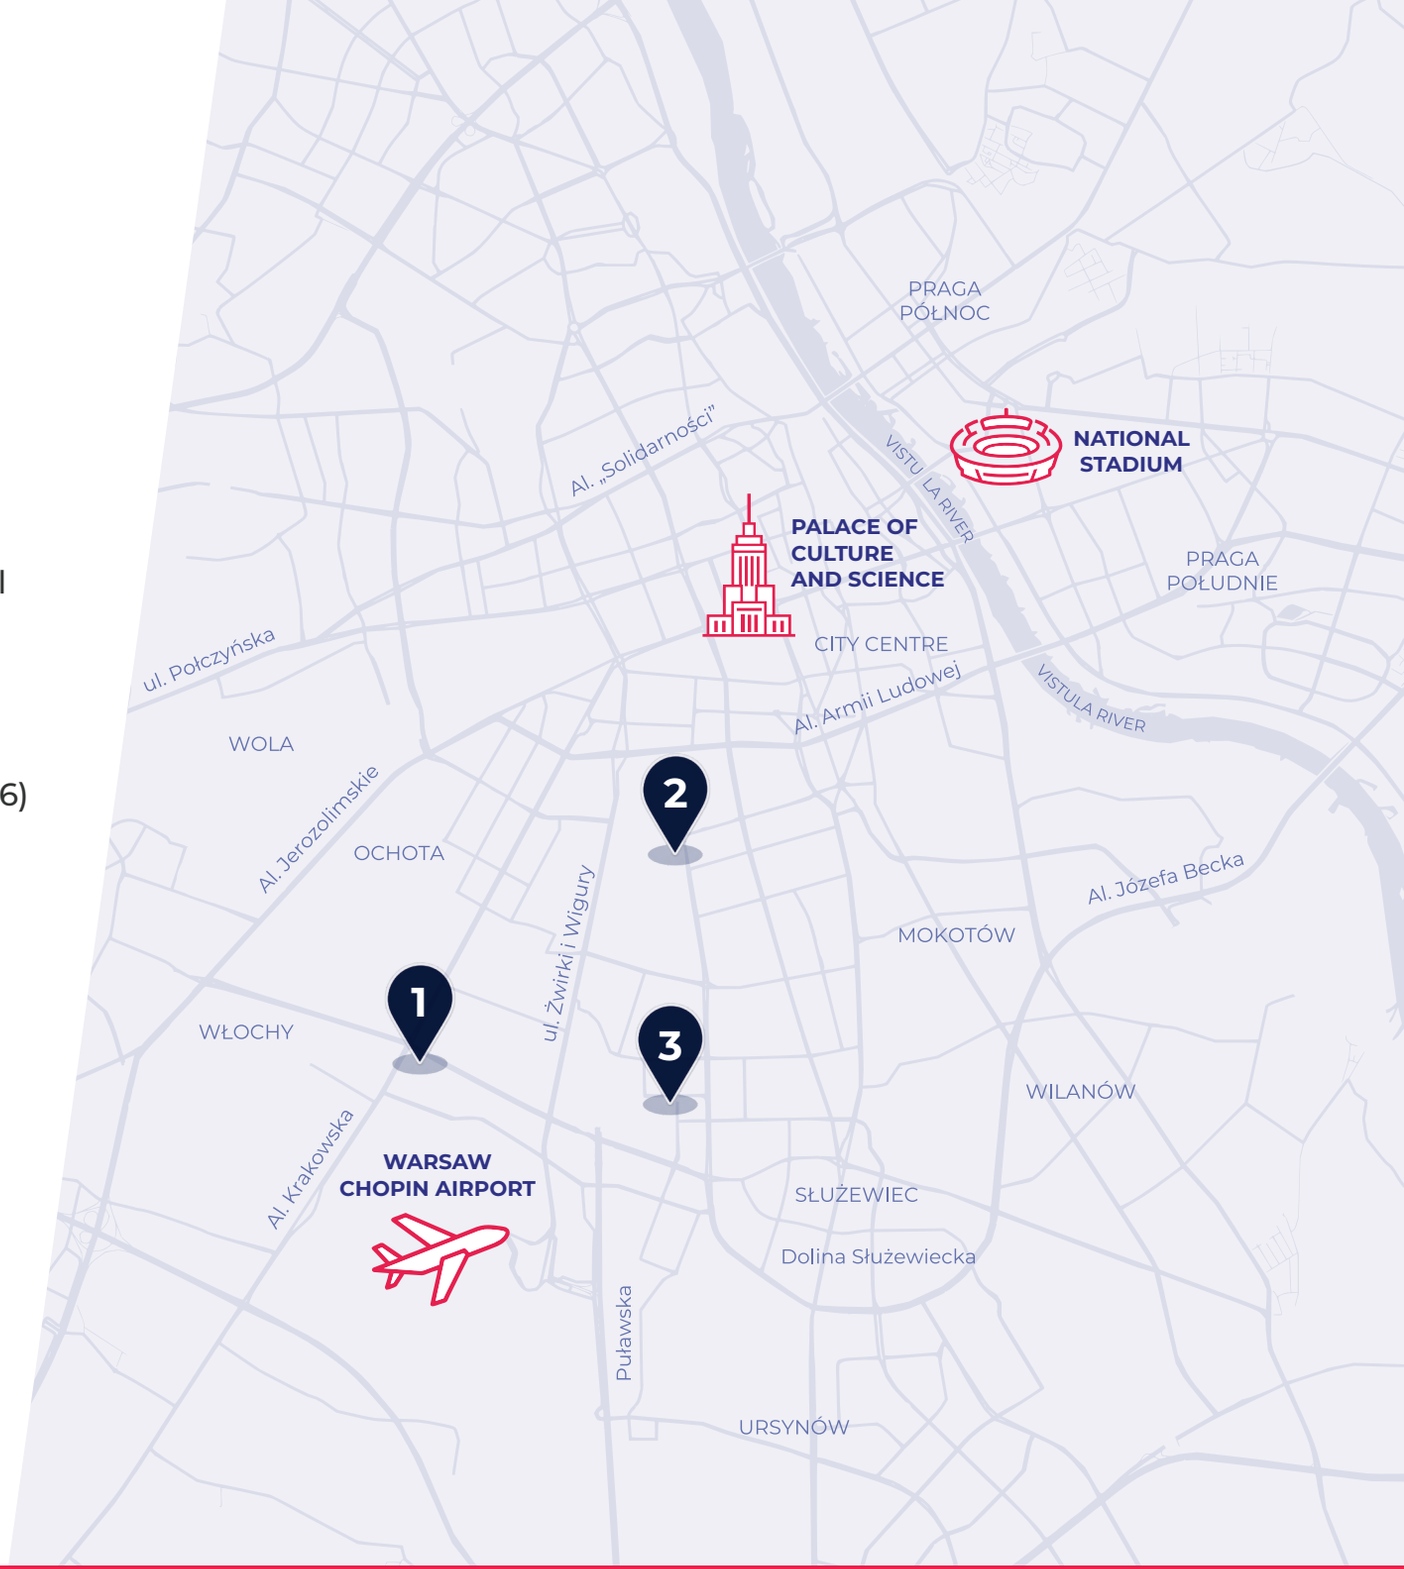

Our campuses

1 **WŁOCHY CAMPUS**
Early Years to Lower Secondary School

EDUCATIONAL PHILOSOPHY

Helping every child to achieve their best

At Thames, learning begins in the Early Years and continues through to the Sixth Form. We believe every child should meet or exceed their potential. This belief shapes everything we do. It informs how we teach, how we support progress, and how we work in partnership with families. We are ambitious for every student and committed to helping each child grow in confidence, character, and achievement.

We recognise that every learner is unique and brings individual strengths, interests, talents, and starting points. Our role as educators is to know every student well, set high expectations, and provide the right balance of challenge, guidance, and encouragement so they can thrive academically and personally.

Ultimately, our philosophy is simple: every child should leave Thames having achieved their very best.

INTERNATIONAL COMMUNITY

A world of perspectives

Our community brings together students from around the world, creating a warm, inclusive environment where diverse cultures, ideas, and experiences are shared every day. This diversity helps our students feel a sense of belonging, become open-minded, adaptable, and curious, and be ready to thrive and make a difference in a connected world.

60+

NATIONALITIES

“At Thames, care is more than a tagline: it is authentically at the heart of everything we do.”

THAMES
BRITISH SCHOOL

C | A | R | E values at our core

Our C | A | R | E values are embedded into everyday life and guide how students learn, behave, and contribute. They also shape the educational experience and help students feel supported, safe, motivated, and ready to learn. When children learn in a values-led environment, they succeed academically and grow as people.

LEARN MORE ABOUT OUR CARE VALUES

Collaborative & Compassionate

We work together when needed to get the job done.

We value the work of others, are compassionate, and recognise that success is mutually beneficial.

Authentic

We are real, genuine and honest.

We are true to ourselves and our community and represent ourselves as such with integrity.

What do we stand for?

C | A | R | E

Responsible & Resilient

We have an obligation to reach our potential and fight to do so.

We are accountable for our actions and utterances, and demonstrate respect for others' needs and our environment. We don't give up.

Enlightened

We act on evidence, are factually well-informed, tolerant of alternative opinions, and guided by rational thought.

EDUCATIONAL JOURNEY

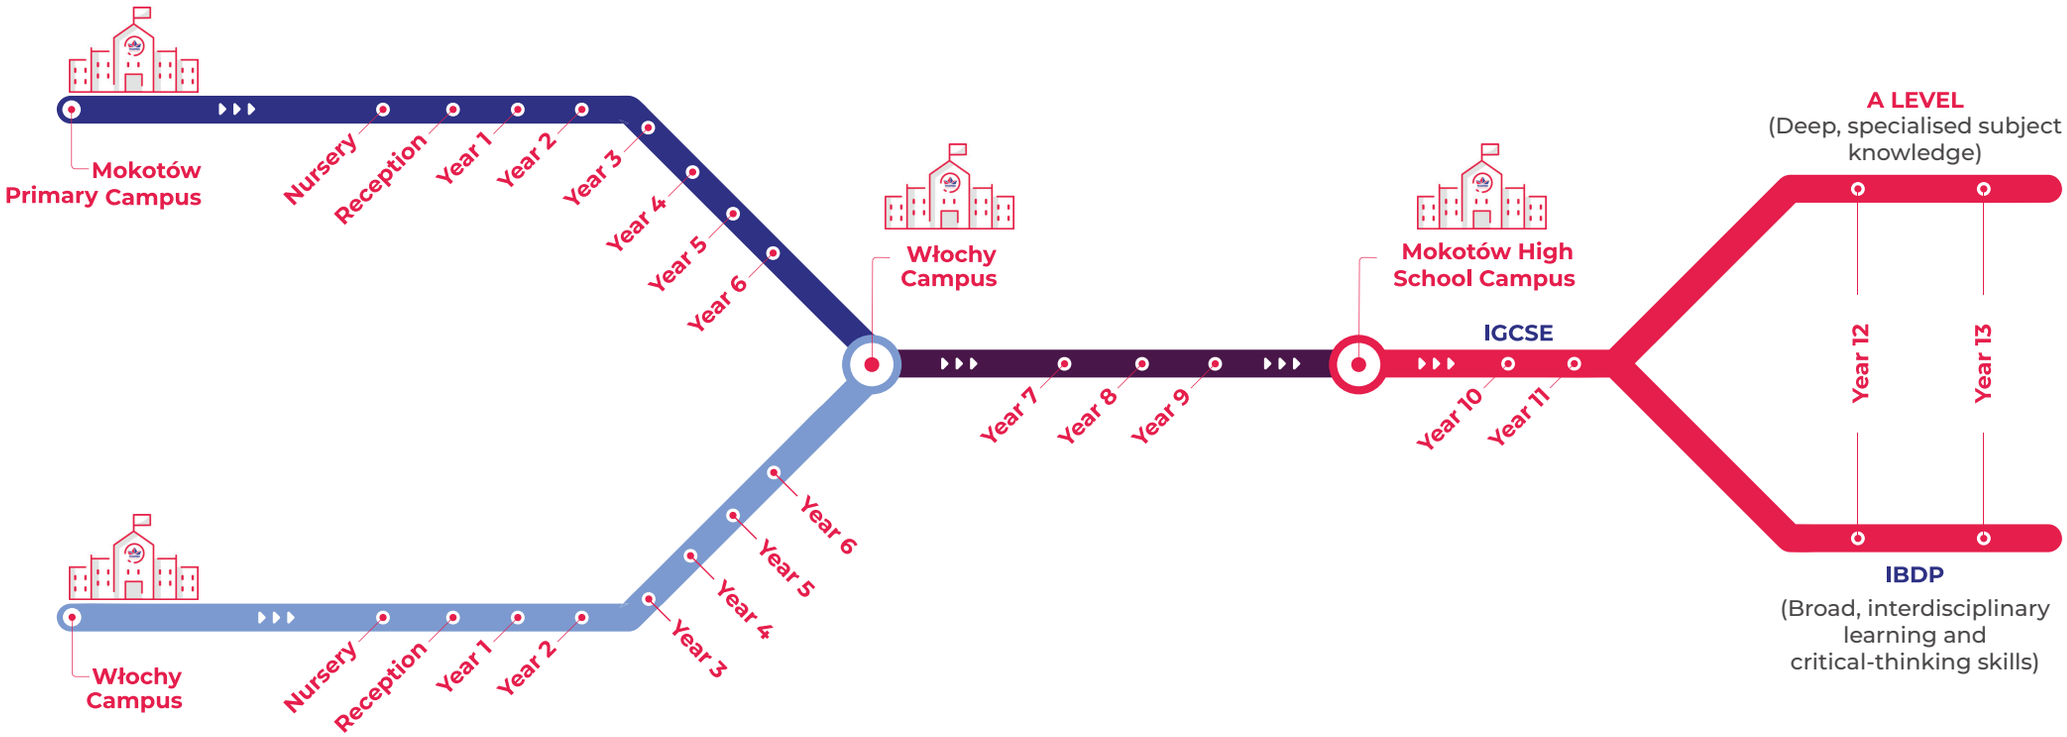

A seamless journey from Early Years to Sixth Form.

From a happy, nurturing start in the Early Years to becoming confident, capable young adults, Thames offers students a continuous British international education in English. Knowing each child means we nurture a lifelong love of learning and prepare individuals to thrive in the world beyond school.

CURRICULUM STAGES

One connected education

We follow the British curriculum from Early Years through to the final two years of school, when students choose between A levels or the International Baccalaureate Diploma Programme (IBDP).

WORLD-CLASS POST-16 PATHWAYS

A levels and the IBDP are rigorous pathways that prepare students for university-level study and successful futures worldwide. At Thames, students choose their pathway based on personalised guidance, individual learning styles and future goals.

BEYOND THE CLASSROOM

Connecting learning to life

Our **extracurricular clubs,** from tennis and fencing to kickboxing and hobby horsing, give students the chance to try new things and explore hidden talents. Through participating in **Model United Nations,** our British-style **House System,** and **Student Council,** students develop teamwork and leadership skills, and grow in confidence.

Green School, our annual adventure trip, helps students make friends and feel part of the school community through sports, outdoor activities, and team challenges. Other highlights at Thames include **International Day, Polish Week, STEM Week, Sports Day,** and **Book Week.** These and other events bring learning to life, celebrate our cultures, bring families together, and create special memories for everyone.

LIFE BEYOND THAMES

Opening doors to the world

We are proud of what our students achieve, with many going on to top universities in the UK, Europe, and around the world.

Every student's journey is different. Our University and Careers Department offers personalised support, helping students explore their options, choose subjects and pathways, apply to universities, and prepare for life after school. For those aiming for highly competitive universities, extra support is available from Dukes Plus.

Whether students choose university, a gap year, internships, or another path, we help them take their next steps with confidence.

MEMBER OF DUKES EDUCATION

Part of a global family of schools

Thames is part of Dukes Education, a growing family of schools across the UK and Europe. We share a commitment to giving every child the foundations for an extraordinary life.

Being part of this network gives our students more opportunities, from summer camps and interschool events to arts and sports competitions, as well as support with university applications and career planning.

At Thames, families get the best of both worlds. We offer personal care, individual attention, and a close-knit community where every child belongs, along with the wider opportunities and support of an established international education group.
