BOARD OF EDUCATION BUSINESS MEETING
Tuesday, October 27, 2026

NOTE TO CITIZENS IN ATTENDANCE

The Board of Education conducts Business and Executive Meetings.

Business Meetings are those at which the Board of Education acts on the vast majority of items under its jurisdiction. The meetings are open to the public and citizens are allowed to speak. The Board welcomes comments from citizens. It does, however, respectfully suggest that citizens attempt to resolve concerns by speaking directly to school administrators before bringing it to the Board. Individuals with a relevant interest in the function or duties of the Board are invited to speak a maximum of three (3) minutes on any one issue. The Board has allocated a total of twenty (20) minutes for public comments. You are required to give your name and address before speaking.

Executive Meetings are conducted when the Board of Education must review and discuss confidential matters. By illustration, pending legal cases, personnel matters, and collective bargaining proposals are appropriate reasons for the Board to hold an Executive Session. These meetings are not open to the public.

Mission Statement

The Mission of the Pennsauken Public School District is to provide a safe, challenging, and enriching learning environment for all students that leads to academic success and the development of personal responsibility and self-directed lifelong learning needed to become contributing members of a diverse, global society.

REPORT OF BOARD SOLICITOR

- **Ms. Dev, Board Solicitor – New Jersey Bill S2046 passed earlier in the month. The bill expands the eligible circumstances to cover bereavement leave. There is pending legislation involving the Anti-Bulling Bill of Rights Act. The bill proposes to eliminate the requirement under HIB that there be a distinguishing characteristic that motivates the conduct. At the end of September the US Department of Education and the US Department of Justice issued joint guidance on how to prepare for and respond to "swatting" (malicious communication that elicits an emergency) incidents on campus. Attended the school law forum at the NJSBA conference, it was very informative.**
