RFH Strategic Planning 2026-27

Clarifying the Vision

A discussion with the Rumson-Fair Haven Regional High School District Board of Education
Facilitated by Kathy Helewa, Educational Leadership Consultant
October 27, 2026

KATHLEEN HELEWA
EDUCATIONAL CONSULTANTS

Telling your story!

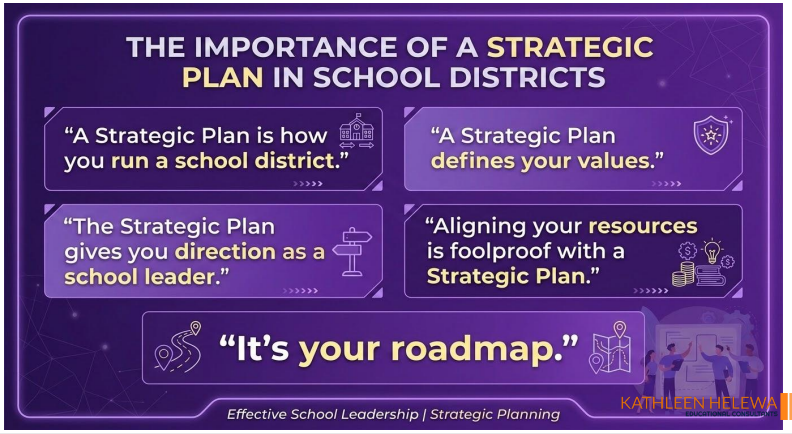

Split into partners.

With your partner, take three minutes to

* Explain why you decided to serve on the RFH BOE
* State the most exciting thing that you've worked on or passed with your fellow RFH BOE members since you've been serving
* Tell in one sentence (or so): What do you want RFH to be known for in 2036?

"We tell ourselves stories in order to live." –Joan Didion

Strategic Planning: RFH's Unique Story

Your Strategic Plan will give voice to the

Rumson-Fair Haven Regional High School District's story

by answering **three** essential questions.

KATHLEEN HELEWA
EDUCATIONAL CONSULTANTS

#1. Why we do what we do

"The moral of the story"

Values, Mission, Vision

Rumson-Fair Haven Regional High District School Mission Statement

Our mission is to empower all of our students with the tools to find their passions and thrive as knowledgeable, confident, resilient, creative, and compassionate citizens of a global community.

KATHLEEN HELEWA EDUCATIONAL CONSULTANTS

#2. What (and how) we are doing now

The plot:

What does RFH do well?

What needs to be adjusted?

What are our resources?

From these discussions, "strengths and challenges" start to crystallize.

KATHLEEN HELEWA EDUCATIONAL CONSULTANTS

#3. Where should we be in three years?

"How we will win"

"It's Fall 2030, and walking into RFH, one immediately notices…."

"It's 2030, and a student considering which high school she should attend learns that at RFH …."

"It's 2030, and a young family with elementary-age children, who are moving into the area, hears over & over that RFH…"

Hallmarks of a Powerful Strategic Plan

* Comprises engagement from essential stakeholder groups
* Stakeholders' contributions to the process are meaningful, not performative
* Board and Superintendent understand and agree upon the methodology and timing
* Grounded in data unique to the District
* Broad, forward-thinking
* Formally approved by the Board with a distinct lifespan
* **A living document:** basis for District Goals & for budget; adjustable as necessary and *always* grounded in Mission, Vision, and Values

The Board Member's Role

To trust

the process and participants, assured that all are driven by what's best for RFH

To listen

giving time, space, opportunities for participants to do the work alongside you, to accept their viewpoints, and to honor the work in a meaningful way

To support

With fellow RFH BOE members, ensure the final document is broad, visionary, and practical.

KATHLEEN HELEWA EDUCATIONAL CONSULTANTS

Let's talk….

As an RFH BOE member, what do **you** want to see from the strategic planning process?

What are you looking for in your strategic plan?

NJ QSAC: NJ Quality Single Accountability Continuum
October 27, 2026

What is QSAC?

- NJQSAC is the Department of Education's monitoring and evaluation system for public school districts.
- It is a single comprehensive accountability system that consolidates and incorporates the monitoring requirements of applicable state laws and programs and complements federally required improvements.
- The system focuses on monitoring and evaluating school districts in five key components which, based on research, have been identified to be key factors in effective school districts.
- Once every three years, districts are required to undergo a full NJQSAC evaluation and must complete the District Performance Review (DPR).

The QSAC Process

- The NJQSAC evaluation process is initiated by the county office of education providing training and orientation for districts being monitored that school year.
- Each school district submits a self-evaluation using the DPR.
- The County Offices, led by the Executive County Superintendents (ECS), conduct a verification process by reviewing the documentation that the school districts provided in support of their scores for each indicator.
  - The verification process is conducted both remotely and on site.
- After the verification process the county office will issue a score for all DPR areas.
  - If the district score is below 80% in an area they must develop a district improvement plan.

The QSAC Timeline

- Preparation of Documents: September - October 2026
- Formation of District QSAC Committee: September 2026
- QSAC Committee Work & Internal Review: September - October 2026
- QSAC Presentation to Board of Education & Approval of DPR: October 2026
- Submission of required paperwork to NJ Homeroom - October 29, 2026
- Facilities Site Visit - Between November 2026 - March 2027
- QSAC County DOE Visit - February 4, 2027

RFH 2026 QSAC Committee

- Lee McDonald, Superintendent
- Sean Cranston, Business Administrator
- Sarah Fitzgerald, Director of Curriculum
- Stephen Sarles, Principal
- Robert Romano, Supervisor of Buildings and Grounds
- Lindsey McCarthy, Collective Bargaining Representative
- Stephanie Washeleski, Teacher Representative
- Geri Pagano, Board of Education Representative
