DENVER JEWISH DAY SCHOOL

CHAI FIVE CLUB

Join the Chai Five Club today and see what an impact your support can make on Denver JDS. Denver Jewish Day School is not only steeped in tradition and built on a Jewish foundation, but is also a forward-thinking school focused on academic excellence —preparing students to be critical thinkers, values-driven leaders, inspired learners, and community stewards.

The Chai Five Club, Denver Jewish Day School's multi-year giving society, was founded in 2002. It enables us to provide valuable resources that enhance every aspect of school life, offering endless opportunities for our students to excel. This program is critical to developing a sustainable and ongoing foundation for year-to-year financial planning. Chai Five Club members directly advance our school's mission by providing support for outstanding teachers, enrichment programs, extracurricular activities, tuition assistance, experiential learning, and more.

Club members are recognized publicly when they commit to donate $1,000 or more per year for five years.
