# Let your imagination sparkle at our Unicorn Party!

**This is your chance to see what makes Girl Scouts shine!**

Join us to meet new friends and get creative. You'll:

- Help the unicorn find its missing horn
- Create your custom unicorn mask
- Work toward your first Daisy petal

Bring your grown-up(s) along so they can learn about Girl Scouts — and the roles available for adult helpers.

**Calling all Bowling Green Area Kindergarten Girls!**
**We're forming a new troop & need your help!**
