August 13, 2026

Dear Kilpatrick Elementary Students, Parents and Families,

Welcome to a new and exciting school year! My name is Crystal Nixon and I am honored to introduce myself as the Title I Parent Liaison at Kilpatrick Elementary School. I am excited to serve our students, parents, families, and school community throughout the 2026-2027 school year.

As Parent Liaison, my most important responsibility is bridging a gap between home and school. I am here to help families stay informed, connected, involved, and supported. I believe that when families and schools work together, our students have an even greater opportunity to learn and grow.

Throughout the school year, I will work to provide parents and families with information, resources, and opportunities that support student achievement and family engagement.

Some of the ways I can assist include:

- Providing information on Title I resources and services,
- Connecting families with school and community resources,
- Understanding school programs, policies, and available supports,
- Coordinating parent workshops, family engagement activities, and school events,
- Supporting Cougar Café, which provides food and other resources to students and families in need,
- Infinite Campus access and troubleshooting, and
- Providing a welcoming place for parents to ask questions, share concerns, offer suggestions, and learn more about Kilpatrick Elementary.

My door is open to you, whether you need assistance locating a resource, have a question about the school, want to become more involved, or simply need to figure out where to start, please do not hesitate to reach out.

Parents and families are essential to the Kilpatrick Elementary team. Your voice, participation, and partnership matter, and I look forward to meeting each of you and building meaningful relationships with our Kilpatrick families and community.

Here's to a wonderful school year, Cougars

Best regards,

Crystal Nixon
