

Title 22 Regulations Overview

Virtual training

Join us for a training session covering the requirements of Title 22 licensing regulations for child care, facilitated by ECE Manager, **Christian Patterson**.

This training will provide a broad overview of **basic health and safety standards** required in all licensed child care settings with additional emphasis on **infant/toddler** and **school-age** specific regulations.

Participants will:

- **Gain an overview** of the Title 22 licensing regulations and how they apply to their specific child care settings.
- **Learn strategies** to support Community Care Licensing compliance.
- **Strengthen proactive mindsets** for maintaining the health and safety of all children in care.

Must attend session in full to receive credit.
