2027 SCHOOL BOARD ELECTION: NOTICE OF DISTRICT-SPECIFIC INSTRUCTIONS FOR THE ELECTRONIC FILING OF DOCUMENTS WHEN FILING CHALLENGES, RESPONSES, AND REBUTTALS UNDER CHAPTER EL 2 OF THE WISCONSIN ADMINISTRATIVE CODE

Chapter EL 2 of the Wisconsin Administrative Code establishes the procedures that govern challenges to the validity and sufficiency of Declarations of Candidacy and, if applicable, candidate nomination papers. Accordingly, any challenge to a candidate's filings, any response to a challenge, and any rebuttal to a response that is filed with the office of the School District clerk under Chapter EL 2, including any associated documents (such as a legal brief or affidavit(s)), must conform to additional requirements set forth in Chapter EL 2 regarding form, content, manner, and timing of submission. Chapter EL 2 further governs how challenges are decided and how a party aggrieved by the filing officer's adjudication of a challenge may appeal the decision.

I. Electronic Filing Is Authorized and Sometimes Required under Chapter EL 2 of the Wisconsin Administrative Code.

Challenges and Responses. Using the instructions provided below, challenges, candidate responses to challenges, and any associated documents (e.g., a legal brief or affidavit(s)) **may** be filed electronically at any time up to the applicable filing deadline. However, if any such filing occurs on a Saturday, Sunday, or legal holiday or at another time that is outside of the established hours for paper filing at the School District's designated filing office, then the filing generally **must** be submitted electronically, either by electronic mail (email) or by facsimile transmission.

Rebuttal Materials. Per Chapter EL 2, a challenger **must** always file any rebuttal brief and any rebuttal affidavit(s) electronically, either by electronic mail (email) or by facsimile transmission. This electronic filing requirement related to a challenger's rebuttal materials applies regardless of the date and time of filing. The filing officer is prohibited from accepting rebuttal materials filed as paper copies. *See section EL 2.07(3)(g) and section EL 2.08(2)(g).*
