Attention CAVA Juniors, Seniors, and Parents/Guardians:

Carbondale Area Virtual Academy will be holding **mandatory Senior Project Research Paper meetings** in the Cyber Lab on the following dates:

- **Juniors:** Thursday, November 19, 2026
- **Seniors:** Friday, November 20, 2026

IMPORTANT – SCHEDULING REQUIRED!

All Juniors and Seniors **MUST sign up for a specific appointment time using the Calendly scheduling link provided in Microsoft Teams.** Students are required to schedule their appointment prior to attending.

During these meetings, we will review the Senior Project Research Paper guidelines, expectations, and grading rubrics. We will also provide instruction, answer questions, and assist students with completing this important graduation requirement.

Senior Project Research Paper Due Date: Friday, January 15, 2027

Attendance at these meetings is mandatory, and the Senior Project Research Paper is a required component of graduation.

We ask parents and guardians to please remind their students to check Microsoft Teams, ParentSquare, to schedule their appointment through Calendly, and attend their assigned meeting.
Thank you for your cooperation and continued support in helping our students meet their graduation requirements. If you have any questions, please don't hesitate to contact me.

Thank you,
Mr. Kielar
