Schwarzkoff Elementary Bond Issue Update

OVERVIEW

- During the 2027-28 school year, Schwarzkoff Elementary will be relocated to Rose Kidd Elementary while the school undergoes a compete reconstruction.
- The reconstruction will result in a design that increases safety and represents the district's vision for how facilities can inspire growth and achievement.
- For more information: **uticak12.org/schwarzkoffbond**

These are exciting times at Schwarzkoff Elementary.

Beginning in the spring of 2027 and throughout the 2027-28 school year, our school will be the scene of a complete reconstruction as Utica Community Schools transforms our school for the current and next generations of Cougars.

The reconstruction will result in Schwarzkoff Elementary receiving a new design that represents the UCS vision of how schools can support growth and achievement.

To help facilitate the reconstruction project, our school community will have a temporary home for the 2027-28 school year at Rose Kidd Elementary, located at 38397 Gladstone Dr. near 17 Mile and Dodge Park Road in Sterling Heights.

This document provides an overview of the improvements. For more information, please visit: www.uticak12.org/schwarzkoffbond

What are the plans for Schwarzkoff Elementary?
Schwarzkoff Elementary will undergo a complete reconstruction beginning in the spring of 2027 and throughout the 2027-28 school year. During that time, we will be housed at Rose Kidd Elementary, 38397 Gladstone Dr. in Sterling Heights.

How will the reconstruction benefit Schwarzkoff?
The reconstruction will support the district's facility vision to:

- Create additional layers of safety and security
- Support achievement through an environment that fosters engaged learning
- Provide teachers with the flexibility and technology for large and small group instruction
- Offer a modern look that will foster community pride and enhance the desirability and quality of life in our neighborhoods

What improvements have been made to Rose Kidd Elementary to house our students?
Rose Kidd is currently housing students and staff from Havel Elementary while their school undergoes a reconstruction this school year. The improvements recently made to Rose Kidd include: secure entryway, replacement of door hardware, replacement of ceiling, lights and floors, sidewalk and landscape improvements, construction of dedicated bus loop, and updated playground equipment.

How will the relocation impact transportation?
Transportation will be provided for all Schwarzkoff students who live in the attendance area. Routes will be made available in late August.
