Careers & Enterprise Programme 2026-2027

Year Group	Activity	Description
Year 7	SEGRO Schools Programme – Futures Assembly	With the support of local business volunteers, this interactive activity will introduce Year 7 students to the many different careers and work opportunities on the Slough Trading Estate.
Year 7	Enterprise Challenge Day	Students are challenged to apply the 8 essential skills they have learnt in their Enterprising Learner lessons and tutorials to a real enterprise scenario.
Year 7	Guest Speaker Assembly	Guest business volunteers deliver an assembly on the world of work and various career paths for achieving career aspirations. Students have the opportunity to ask volunteers questions.
Year 8	Guest Speaker Assembly	Guest business volunteers deliver an assembly on the world of work and various career paths for achieving career aspirations. Students have the opportunity to ask volunteers questions.
Year 8	Enterprise Challenge Day	Students are challenged to use the 8 essential skills they have learnt in their Enterprising Learner lessons and tutorials in a real enterprise scenario.
Year 8	STEM Heathrow Workshop	The STEM Heathrow Workshop involves solving real-world airport problems. It develops students' teamwork, communication, and problem-solving skills while raising awareness of STEM careers, with strong engagement through collaborative and practical activities.
Year 9	Guest Speaker Assembly	Guest business volunteers deliver an assembly on the world of work and various career paths for achieving career aspirations. Students have the opportunity to ask volunteers questions.
Year 9	GCSE Options Workshop	An impartial introduction to help students prepare to choose their GCSE Options. This interactive session will encourage discussion and spark curiosity.
Year 9	SEGRO Challenge	Delivered by *Learning to Work* and business volunteers from the Slough Trading Estate. Students work in teams to design and plan the future of the trading estate, considering sustainability, technology, and community needs.

Year 10	**Post 16 Assembly**	**Members from Sixth Form & Colleges will deliver an assembly discussing the requirements and different courses available after GCSEs. Students have the opportunity to ask questions.**
Year 10	**Buckinghamshire New University visit**	**All Year 10 students visit Buckinghamshire New University. This provides insight into life at university and knowledge of the different courses & qualifications available to them.**
Year 10	**Work Experience**	**The whole year group will have the opportunity to experience the world of work through placements with local businesses and organisations. Students will develop key employability skills, gain insight into different career pathways, and build their understanding of workplace expectations, helping them make informed decisions about their future education, training and career goals.**
Year 10	**Taster Days**	**This visit to local colleges helps them explore different pathways and understand post-16 options. It supports students in making informed choices about their future education, training, or careers.**
Year 10	**IAG Future Focus**	**Full CIAG delivered by Level 6 Practitioners. This fresh approach will support you to provide independent and impartial Information, Advice & Guidance.**
Year 11	**IAG Future Focus**	**Future Focus Insight Sessions (part of the above programme).**
Year 11	**CV & Covering Letter Prep Session**	**The CV & Covering Letter Preparation Session complements the Interview Day and supports students in preparing a winning CV & Covering Letter.**
Year 11	**Apprenticeships Assembly**	**The apprenticeships assembly, delivered by Windsor Forest Colleges Group, introduces students to apprenticeships as a pathway into employment and further education. It outlines the benefits, including earning while learning, gaining qualifications, and developing workplace skills. Students explore different courses, levels, and local opportunities, helping them make informed post-16 choices.**
Year 11	**Taster Sessions**	**Students attend taster sessions at Slough & Langley College and BCA to experience a range of vocational courses and learning environments. They supportEnterpriseEnterprise them in making informed choices about their future education, training, or careers.**
Year 7 to 11	**Lynch Hill Enterprise Academy Careers Fair**	**The Careers Event will introduce students to local employers and career paths and support them in making informed choices regarding their future employment. Parents may attend between 3 and 4 pm.**
