Enrollment Pathways

2027–2028 School Year | Find the process that fits your family

1. New Student Enrollment

For students enrolling for the first time or returning after leaving the district.

1. Gather Required Documents Gather proof of age, immunization records, proof of residency, and applicable school or custody records.

2. Find Your Assigned School Use the district school locator to find the school assigned to your address.

3. Complete New Student Registration Create a FinalForms parent account or log in to an existing account to complete the required online forms.

4. Finalize Enrollment Upload required documents. Your school will review them and contact you about next steps.

2. Returning Student Enrollment

For students currently enrolled who will return next school year.

1. Access Your FinalForms Account Log in to your existing FinalForms parent account.

2. Update Student Information Review contacts, emergency information, and required forms.

3. Provide Proof of Residency Proof of residency is required only for students entering grades 3, 6, or 9.

4. Complete Enrollment Submit all required forms to complete annual enrollment.

3. Program Options Application

For families applying to a specialized instructional program.

1. Explore Program Options Visit the Program Options and individual school websites. Check tour dates and visit schools to find the best fit.

2. Apply Through SchoolMint Apply November 30 – February 28. A sibling seeking to enroll must apply even if another child already attends that Program Option school.

3. Review Lottery Results and Accept Placement SchoolMint will email acceptance or waitlist results. If accepted, you have 10 business days from notification to accept.

4. Complete Student Enrollment After accepting a placement, families must complete the student enrollment process through FinalForms when enrollment opens.

4. Interdistrict Transfer Application

For families living outside Rock Hill Schools who wish to request enrollment.

1. Review Transfer Requirements Review eligibility, available space, and the application timeline.

2. Submit a Transfer Application Complete the interdistrict transfer application and provide requested information.

3. Receive a Decision and Accept Placement Written decisions will be sent by March 30, 2027. If approved, you have 10 business days from notification to accept.

4. Complete Enrollment After accepting placement, complete FinalForms to officially enroll your child.

Need help enrolling? Contact your school or the district. Families experiencing homelessness or in foster care may have additional enrollment protections.
