CARVER 9TH GRADE ACADEMY

2026–2027 PARENT AND FAMILY ENGAGEMENT PLAN

Carver 9th Grade Academy recognizes that active family involvement is essential during the pivotal transition from middle school to high school. Our administration, counselors, and faculty are dedicated to empowering parents and guardians as partners in their child's freshman year and long-term academic success. To ensure every student builds a strong foundation for high school graduation and seamless advancement to Dothan High School, we foster strong partnerships between families, our academy, and the Dothan community through the following initiatives:

1. **Collaborative Freshman Engagement Plan:** Work together with parents, educators, and community stakeholders to jointly create, agree upon, and distribute a comprehensive Parent and Family Engagement Plan that outlines clear goals and expectations tailored to the freshman year.
2. **Freshman Transition & High School Readiness Workshops:** Host dedicated transition events—including Freshman Orientation, campus walk-throughs, and academic planning nights—to help families navigate high school credit requirements, GPA calculations, attendance policies, digital grade portals, and graduation pathways.
3. **Active Participation in Events:** Promote family involvement in Parent-Teacher Organization (PTO) meetings, academic showcases, extracurricular activities, and school-sponsored workshops coordinated with Parent Involvement Specialists (PIS).
4. **Feedback Mechanisms:** Distribute annual surveys and online questionnaires for families to share ideas, concerns, and suggestions for improving the ninth-grade educational experience, with results analyzed and shared transparently with the school community.
5. **Accessible Communication:** Ensure all written materials, freshman transition guides, and school communications are available in multiple languages to accommodate non-English speaking families.
6. **Support for School Events & Career Exploration:** Encourage parents and community partners to attend campus activities and leverage their unique skills, career experiences, and resources to enrich educational programs and freshman academy initiatives.
7. **Interpreter Services:** Provide qualified interpreters during parent-teacher conferences, academic advisement sessions, and school meetings whenever language support is needed to facilitate clear communication.
8. **Flexible Meeting Times:** Schedule parent meetings, counselor check-ins, and workshops at varied times—including mornings, lunch hours, afternoons, evenings, and virtual options—to accommodate diverse family schedules and maximize participation.
