Parent Access to Supplemental Supports (PASS)

Supporting reading growth for young Texans

WHAT IS PASS?

The Parent Access to Supplemental Supports (PASS) program provides eligible families with a $400 online account to purchase approved tutoring services that support reading and literacy.

ELIGIBILITY CRITERIA:

To qualify for the PASS program, a student must meet the criteria below:

- The student is currently enrolled in a Texas public school.
- The student scored "**did not meet grade level**" in reading on the 3rd grade state assessment.

Not sure what your child scored? Find out on the Family Portal.

HOW TO APPLY:

1. Create a **PASS Portal Account** today.
2. With a PASS Portal Account, parents can apply as soon as the application opens this fall.
3. If application is approved, parents can select a tutor and their student begins receiving support.
