Dear Tewksbury School Community,

It is with great pride and excitement that I announce our 2026–2027 Teachers of the Year and Educational Services Professional of the Year!

Please join me in extending heartfelt congratulations to Patty Jennings of Old Turnpike School (OTS) and Liz Gentile of Tewksbury Elementary School (TES), who have been selected as our 2026–2027 Teachers of the Year. I am equally delighted to announce that Nancy Morogiello of Tewksbury Elementary School (TES) has been named our 2026–2027 Educational Services Professional of the Year.

These remarkable professionals represent the very best of what makes our district such a special place to learn and grow. Their dedication to our students, commitment to excellence, and contributions to our school community are truly deserving of this recognition.

As Superintendent, one of my greatest privileges is witnessing the passion, care, and commitment that our educators bring to our schools each day. It is the people who make a school district extraordinary, and we are incredibly fortunate to have such talented and caring professionals serving our children.

I hope our entire Tewksbury community will join me in congratulating these three exceptional professionals on this well-deserved honor.

Warm regards,

Dr. Laura J. Scamardella
