BUFFALO LAKE - HECTOR - STEWART SCHOOL
ISD #2159

BLHS Families & Community,

On behalf of the BLHS School Board, thank you to everyone who took the time to complete our recent survey. Your feedback is deeply valuable to the BLHS School Board as we work to make informed, thoughtful decisions about the future of our district.

Highlights of the survey results will be presented during our upcoming community meetings in November:

- Monday, November 9th @ 6:30 PM – Hector School Building Auditorium (includes a facility tour)
- Tuesday, November 10th @ 6:30 PM – Buffalo Lake Community Center
- Thursday, November 12th @ 6:30 PM – Stewart Community Center

We strongly encourage everyone to attend and look forward to seeing you there.

As we approach the November elections, I also want to share a brief update. You may have seen or heard news regarding a proposed State of Minnesota constitutional amendment regarding the Minnesota Permanent School Fund reallocation. This ballot question will not increase taxes; rather, it reallocates existing funds to generate an estimated $33 more per pupil statewide. For BLHS, this would mean approximately $14,000 in additional annual revenue.

I will continue to share updates through school messaging and social media as Election Day approaches. Thank you for your continued partnership and dedication to our students and schools.

Respectfully submitted,

Logan Swann
