Dear Bedford City School District Families,

The goal of Bedford City Schools is to provide healthy meals to students during the school day. In order to serve healthy, high-quality meals to all students, we must make sure that the program remains financially sound. You play a key role in this effort. As a parent, you are responsible for all past and future purchases made by your student/s in our school cafeterias. Students with outstanding balances will not be permitted to purchase extras or a la carte foods or beverages until the balance is paid in full. There will be no charging of snacks or ala carte foods. If you have a negative balance from previous years it carries over to the new school year. Negative balance letters are sent out weekly during the school year via email. If you have questions about your negative balance please contact the Nutrition Services Office at 440-439-4530.
