November 16, 2026

Dear Parents,

It is time for Kindergarten Sibling Registration for the 27-28 School Year! If your currently enrolled Hollow Hills student has a younger sibling that will be starting Kindergarten in August of 2027, and you plan to have that child attend Hollow Hills, please read carefully through the information below and follow the steps to ensure your child has a spot next school year.

Step 1 - School of Choice Form

Sibling attending TK in our district: If your incoming Kindergarten student is currently attending TK in our district, you should have received an email regarding School of Choice for the 2027-2028 school year. Please use that email to complete the SOC form, using your child's unique Access Code, and choose Hollow Hills as your 1st choice school. Please be sure to mark that you do have a sibling at Hollow Hills for the upcoming school year.

Sibling NOT attending TK in our district: If your incoming Kindergarten student is NOT currently attending a school in our district, go to https://www.simivalleyusd.org/enrollment/socapplication and scroll down to the green button labeled "Pre-Enroll Kindergarten Student". Please be sure to choose Hollow Hills as your 1st choice school and mark that you do have a sibling at Hollow Hills for the upcoming school year.

Step 2 – Complete a Kindergarten Registration Packet (November 30th - December 17th)

Kindergarten Registration Packets will be available for pick-up beginning on Monday, November 30, 2026. Registration packets will not be available before November 30, 2026. To be eligible, your child must turn 5 on or before September 1, 2027. All registration forms must be completed and returned to the office by 3:00pm on December 17, 2026. **Any registration not received by 3:00pm on December 17th will have to enter the Kindergarten Lottery in January and is not guaranteed a spot.**

Following the above steps will ensure that your incoming Kindergartener has a spot at our school next year. If your child is currently enrolled with SVUSD and you did not receive a School of Choice email for them, please call the district office at (805) 306-4500. Please be sure to read our Bear Necessities Newsletter every week so you can stay current with all school activities and updated enrollment information. If you have any other questions, please call our office at (805) 520-6720.

Thank you,

Heather Godfrey
Principal
