Kindergarten Lottery
January 2027

Kindergarten Lottery applications for the 2027/2028 school year are now ONLINE! You can apply for the lottery online anytime beginning now through 3:00pm on January 15th, 2027.

How to apply:

If your incoming Kindergarten student is currently attending TK in our district, you should have received an email regarding School of Choice for the 2027-2028 school year. Please use that email to complete the SOC form, using your child's unique Access Code, and **choose Hollow Hills as your 1st choice school.** If you did not receive an email, please reach out to your child's school that they are attending for TK to obtain their Access Code.

If your incoming Kindergarten student is NOT currently attending TK in our district, please go to https://www.simivalleyusd.org/enrollment/socapplication and scroll down to the green button labeled "Pre-Enroll Kindergarten Student". Please be sure to **choose Hollow Hills as your 1st choice school.**

Lottery Process:

School of Choice lottery applications cannot be submitted to both Hollow Hills and Vista. Whichever school you choose as your 1st option will be the school whose lottery you have entered. **All applications must be entered online by 3:00pm on Friday, January 15, 2027.** Our lottery will be held on Tuesday, January 19th and parents will be notified that week, via email, whether they got in. If your child got in, you will be notified to come to the school to pick up an enrollment packet. Enrollment packets must be completed and returned to our school office by 4:00pm on Friday, February 5th.

There will be multiple opportunities for families to tour and learn more about our school. We hope that you can attend one of our Tour and Info sessions which will be held at the following times:
