Mentor Breakfast

The North Fork Business Advisory hosted its annual Trailblazers and Pathfinders Mentor Breakfast on Tuesday, November 17, 2026. High School Seniors from all four area high schools participated in this amazing event held at Peconic Landing. We had 25 mentors from a variety of career areas such as business communications, finance, marketing, small business owners, public service, health care, education, engineering, and research. The mentors took time out of their busy schedules to enjoy breakfast with our students, talk about their career paths, answer questions, and give some great advice. The mentors came from a variety of backgrounds, ranging from local business owners, educators, mental health professionals, government officials, marketing, civil service, and many more. Lisa Kaasik, a Shelter Island graduate, was the guest speaker, sharing the message about how important it is to be flexible; life doesn't always go as planned.
