Educator Open House at OMSI

December 1, 2026
5:30–8:00 PM

Welcome educators!This exclusive educator-only event includes admission to the Fall-Winter exhibit halls, **Universal Theme Parks: The Exhibition – The Science Behind the Thrills**. Educators will also have special access to our portable planetarium dome and newest documentaries. OMSI educators will be available to talk about programming options. Program registration staff will be available to reserve limited program dates.

Light refreshments will be available during the welcome speech.

For educators in the Oregon Registry Online, one hour of Set One professional development will be available in Core Knowledge Category LEC after completing an on-site activity.

Pre Registration is required. This event is exclusively for educators, community group leaders, and out-of-school professionals.

Explore eight galleries, 20 interactive experiences, and more than 100 original artifacts, including authentic costumes, cinematic props, and early concept models. But this isn't just something to see - it's something to do.

Along the way, hear directly from the artists, engineers, and show creators who transform bold ideas into unforgettable theme park adventures.

Traveling Education to Your School
Learn more about OMSI's 2026-2027 program catalog! Everything from our portable planetarium to assemblies and classroom programs.

Field Trips to OMSI
