5TH GRADE newsletter

NOV. 20

WHAT WE'RE LEARNING

ELA

We have just started Unit 3- The U.S. Constitution: Then and Now. We will be exploring different laws in the United States and the U.S. Constitution. We will also be writing an informative essay about a topic based on voting rights in the United States.

MATH

Unit 3: Volume & Multiplication

Our Unit 3 Test will be on Tuesday, November 24th. Students should continue to complete the assigned numbers on their study guide for homework each night.

SCIENCE

Unit 1: Earth Systems

Students are learning about why freshwater is important and where humans get it, and are continuing to learn about how the 4 Earth systems interact. Students are also learning about underground water.

SOCIAL STUDIES

Unit 2 will begin during 2nd quarter.

REMINDERS & UPDATES

Teachers are already getting low on boxes of tissues, donations would be greatly appreciated!
