OLENTANGY SCHOOLS℠
Flourish Here.

Peers: Frequently Asked Questions

What are the program days and hours? Students attend preschool Tuesday-Friday. There is no preschool on Monday for our center-based students. Our preschool classrooms are half-day programs with students attending for 2 hours and 40 minutes. The times vary based on location.

Do you have a full-day program? No, we do not currently offer a full-day program.

Where are the Olentangy Preschools located? We have multiple sites throughout the district but are not located in every elementary school. Our locations vary year by year based on elementary school enrollment. We will consistently have classrooms at the Shanahan Preschool and Delaware Area Career Center. We anticipate having classrooms at the following elementary schools for the 27-28 school year: Alum Creek, Arrowhead, Peachblow Crossing, Shale Meadows and Wyandot Run but those are not finalized until early summer.

Do peers receive transportation? No. Parents/guardians must provide transportation to and from preschool.

What is preschool tuition? Peer tuition is $170/month (September through May).

Is before or after-school care available? No. Before or after-school care is not available for preschool. School-age latchkey programs are not licensed for preschool-age students, and the hours do not align. You can work with private daycare, as they may provide before and after-school care.

Is my preference of location and time guaranteed? No. We do our best to assign locations and times based on the preferences listed in your application. We give priority to our returning peers and then review the intent forms in the order of submission date. As a new peer, your child's preschool location and time assignment will be tentatively assigned in June or early July.

Do all preschool age students attend Olentangy Preschool? No. Ohio law requires students to attend kindergarten, but preschool is not compulsory. Public schools must provide preschool services only to those students that qualify for special education services.

What if I have developmental concerns about my child? Olentangy Local Schools offer Child Check observations as a resource to parent's wo have developmental concerns for their child. Children may participate in the observation if they are residents of Olentangy Local School District and are between the ages of 3 and 5 years old. To schedule an observation for preschool screening, call Charlotte Davis at 740-657-5047.
