A Note From Principal Moser

Next week, all CPS students will be participating in an annual hearing screening. Screenings are free of charge. All families were given notification during the registration process and have given permission for their child to participate in the screenings, However, it's important to let you know so that if you've changed your mind, you can opt them out by:

Emailing:: laura.bryant@philomath.k12.or.us

P.E. NEWS

In Physical Education class this week students practiced individual jump rope. We worked on timing and coordination of the arm turn and swing of the rope followed by the bunny hop over. This is a very challenging skill for many as far as the timing and coordination though I saw the majority of students in all of my classes demonstrate this timing correctly!! We played a holiday themed game "turkey tag" and Thursday classes played "Jedi ball" which is a variation of dodgeball in which when a student is hit by a ball they are out and must sit down. Each team has a Jedi that has a half pool noodle (light saber) and tags people back in though when everyone is hit or the Jedi goes down the game is over. It is important students have athletic shoes for PE so they can move well and be balanced on their feet. If you need to contact me email is best at nicholas.burnett@Philomath.k12.or.us.
