INFORMATION FROM THE HEALTH OFFICE

Your child's medical forms indicate that they have asthma. Pursuant to N.J.A.C:6A-2.3, an Asthma Treatment Plan must be on file on an annual basis. To date, there is no Plan on file. Your child will be **excluded** from all class trips and activities until this plan is on file.

The form can be downloaded from the scvths.org web site in the Pupil Services, Health Office area, or your child come to the Health Office to obtain one.

If your child is no longer being treated for asthma, a doctor's note is required stating they are no longer under care for asthma.

If your child is a share-time student and you have the form on file for this year at their sending school, you can have a copy of it forwarded to our office. Our fax# is 908-252-3465, or a copy can be hand delivered to our office.

Please call with any questions.

Thank you,
