Week of November 23rd , 2026

Exploratory Spotlight Series

Week 8 - Bowling

Bowling provides students with hands-on STEM learning through the study of physics, mathematics, and data analysis. Students explore how force, motion, angles, and energy impact performance while analyzing scores, averages, and statistics to improve results.

Students also examine how a bowling center operates as a business by learning about budgeting, marketing, customer service, and financial planning. By combining athletics, data-driven decision-making, and entrepreneurship, students see how STEM skills are applied in real-world careers and industries.

IMS Needs a Freezer/Refrigerator for Culinary Arts

Our Culinary Arts program at IMS is looking for a gently used freezer or refrigerator to support hands-on learning experiences for our students. A donated appliance would help our aspiring chefs practice food preparation, storage, and kitchen safety skills in a real-world setting.

Boys Basketball

Our boys' basketball team will be playing an away game against LTS on November 17th starting at 3:00pm! Let's show up and support!

Basketball Madness!

IHS hosts its teams this Thursday, November 19, for a fun basketball game! The IMS boys' basketball team will play against LTS at Incline High School starting at 3 p.m. After these games, the IHS basketball team will participate in a slam dunk contest, a three-point contest, and a scrimmage for fans.

Free Community Medical Clinic at IMS

Incline Middle School is partnering with the Vituity Cares Foundation to host a Free Community Medical Clinic on Saturday,

If you have a working freezer or refrigerator that you are no longer using and would be willing to donate, we would greatly appreciate your support.
If you can help, please contact the school office for more information. Thank you for supporting IMS and investing in our students' future success!

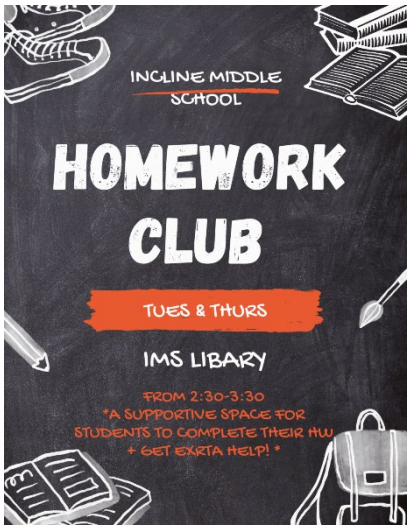

Important Dates: No School!

Families, please mark your calendars!

Thanksgiving break 11/25-11/29: No school. Classes will resume on Monday, November 30th.

Homework Club

Does your student need a quiet space to focus or get a little extra support with assignments?
HW Club meets every Tuesday and Thursdays after school from 2:30-3:30 at the IMS library.
With Ms. Karla, two amazing math tutors, and 2 IHS students from the honors society! It's a great opportunity for students to stay on top of their work and create strong study habits.

November 21, 2026, from 10:00 a.m. to 1:00 p.m. at IMS.
The clinic is open to all ages, with no insurance required and walk-ins welcome. Free services include physical exams, sports physicals, vaccinations, health screenings, prescription refills, mental health support, community resources, and more.
We encourage families and community members to take advantage of this valuable opportunity to access free healthcare and wellness services. Help us spread the word and support a healthier community!

Math Counts ✖ ➕ ➖ ➗ 🟰

Math counts is every Tuesday and Thursday with Ms. Holmes and Mrs. Harssema from 2:30-3:30 in room 408!

Girls Who Code!

Learn to code and change the world!
The IMS Girls who code club will be meeting almost every Tuesday at lunch in Mr. Edwards room!
