GARDNERVILLE ELEMENTARY SCHOOL

Angel Tree

The holiday season is approaching and our Angel Tree Program has started.

Our Angel Tree supports our families that could use some extra help this time of year.

Please consider scanning the **QR code** or clicking the **link** to our **Amazon gift registry** and purchasing a gift for one of our students from the gift list. **Gifts or Cash donations** are also welcome, they can be brought into the office at GES.

Please have gifts shipped to Gardnerville Elementary or bring gifts back to the school, by **Monday December 14th**, so that we can get them to families by winter break.

Thank you so much for supporting our students this holiday season.
