Dear Parent/Guardian:

As we prepare to welcome your child to the Haddon Township School District, please know that we need the following items in regard to your child's medical history:

- **Physical exam/health histor**y - The history must include date of exam, physician/nurse practitioner's signature, height, weight, blood pressure, medications, vision and hearing screening, allergies and pertinent medical history.
- **Immunization history** - This must be a complete record of all immunizations received to date.

Per NJAC 6A: 16-2.2, each student entering the school district must have a physical examination no more than 365 days prior to entry. Please have your child's physician or nurse practitioner complete the enclosed physical examination form and return it along with their current immunization record to your child's school as soon as possible.

Sincerely,

Chantelle Shorter
Assistant Superintendent
