Cards for the Community

Our National Honor Society - Auburndale Chapter is continuing with a heartfelt project to support our elderly community members who might be feeling lonely, don't have family nearby, or are a shut-in. Our students are making that connection by sending short hand-written letters and cards every month, as well as holidays and their birthdays. If you know someone who would love to be supported with letters/cards, please email Kelly Drevlow, the NHS Advisor, at drevlow@aubschools.com their information and they will be added to our mailing list. It is not expected that the community member writes back; they can if they are able and choose to do so.
Thank you for thinking about helping us spread some kindness and connection!
