The evening will take place in the Hall and then break out to classrooms. There will be a talk in the Hall from 6:00-6:30pm. You are then able to attend two break out sessions for further information on:

This event is hosted by the schools' senior leaders, in response to parent feedback on the Options process in previous years and received positive feedback from attendees last year. This event is designed for parents and carers only; your child is **not** required to attend. If you need any younger children to attend with you, we advise that you do not select the Online Safety or Mental Health sessions on the evening, as these contain content this is not suitable for children.

Yours sincerely,

Miss M Mason
