Dear Parent/Carer,

Quantum Theatre Company – 'A Christmas Carol', Friday 18th December 2026

To support the GCSE English Literature course, we have arranged for the Quantum Theatre Company, to come to Southam College to perform the play version of Charles Dickens', 'A Christmas Carol', to students. The play will be performed here at school and will last approximately 70 minutes. This opportunity will help students familiarise themselves further with the plot, characters and key quotations, in preparation for their GCSE English Literature examinations.

We would be grateful of a contribution of £3.50 for each student watching the production and this is available to pay via ParentPay.

We hope that this will be a very enjoyable, enriching and valuable cultural experience for the students. Should you have any further questions, please do contact me at the College.

Yours sincerely,

Mrs N Jeffs
Head of English
